## Colored Teams Play at Ebbets

Seeking their seventh straight championship in the Colored National league, the Homestead Grays go against the Newark Eagles in a doubleheader at Ebbets Field next Sunday. A double victory will put the Grays in the driver's seat, though the third place Eagles are by no means out of the race. The Eagles hint they have found a way to stop Josh Gibson, the colored Babe Ruth and head man of the Grays. He is one of the few players ever to hit a ball into the left field bleachers at Yankee Stadium.

the third they capitalized on it fully. Mancuso singled to right and advanced to second on Schumacher's sacrifice. Werber's pop back of second jiggled out of DiMaggio's glove for a single, putting Mancuos on third. Then Witek blasted a 380-foot ball to left center, scoring both. Wasdell got his glove on the drive, but was close to the fence and couldn't hold it.

### GIANTS STOPPED

After that Witek, who singled in the fifth, was the only Giant to reach base until the eighth, which Werber opened with a one-bagger to center. Witek forced him and reached second when Dietz threw wild to first. Mize walked, but both runners were left when DiMaggio raced into deep left center for Young's long drive.

In the second game, the Giants stepped out to a one-run lead in the first frame. After Werber took a called third strike, Witek drove a liner to right. Barrett tried for a shoestring catch but missed and the ball bounced to the fence for triple. Ott's infield out then prodded Witek to the plate.
